General Comment

I absolutely DO NOT CONDONE the use of my work or anyone else's work that was made with their very own hands, minds, and souls. Google and ChatGPT, all you greedy corporate pigs, you don't own the right to use our work without our permission and you never will. Your lack of compassion shows you have no soul and could never understand what it's like to truly be creative. You piggyback off of our work, stealing what WE MADE to try and make money, while at the same time claiming we are not needed. If you don't need us, why steal from us? Well unfortunately for you, WE DON'T NEED YOU. WE WILL CREATE NO MATTER WHAT YOU GREEDY SPINELESS TALENTLESS COWARDS DO.

AI is garbage and it always will be.
