Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-1689

Comment on FR Doc # 2025-02305

Submitter Information

Name: L J

General Comment

Artificial Intelligence, as marketed, is the biggest scam in American life. It is a dangerous tool in the wrong hands. It consumes an incredible amount of resources for no good purpose. AI should taken out of the hands of for-profit enterprises. This country should NOT invest in AI in the current environment. The current administration will not use the technology in a positive fashion. It will be a tool for corruption and to crush opposition.
