General Comment

I don't want art like mine and others stolen by corporations that have more money than I'll ever have in my lifetime. It's unconstitutional, unfair, and immoral that whatever I make for fun or for my own profit will be stolen from me without my knowledge or consent. I have little to nothing in this life and the one thing that makes me feel human and alive (creating), and knowing people who don't know me wants to steal from me is incredibly unsettling, disgusting, and outright unlawful.
