Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-1948

Comment on FR Doc # 2025-02305

Submitter Information

Name: Sabrina Duarte

General Comment

AI wastes so many valuable resources while claiming to be a valuable resource. It's not, and it creates more damage than anything of actual value. We need protections from scam artists in this industry, and AI is one of the biggest scams in our recent years. They cannot claim copyright when their entire product is founded in stealing from everything and everyone around them, they own nothing and steal everything.
