Document: NSF_FRDOC_0001-DRAFT-2013

Comment on FR Doc # 2025-02305

Submitter Information

Name: Kendra Speedling

Address: United States,

General Comment

Absolutely do not increase or fund so-called "AI." These business models revolve around theft of people's creative work and are thus legally unstable, are unreliable and produce poor and inaccurate information, and are a disaster for the environment due to their energy consumption. The only "AI Action Plan" we need is to ban this nonsense.
