Name: Anonymous Anonymous
Email: [REDACTED]

General Comment

This is disastrous for the flow of free information. There is no longer any incentive to bother doing original fact-checked writing online, since the AI scrapers can just take it and turn it into regurgitated “AI overviews” on the search page, which prevents visitors from coming to websites, which prevents websites from earning any money at all. The web will become nothing but AI scrapings of older AI scrapings and Reddit chats.
