Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2085
Comment on FR Doc # 2025-02305

Submitter Information

Name: Robert Ruth

General Comment

With so many companies already backing away from using AI in their workplace, be it because it's inefficient or does not appeal to their intended audiences, it would be foolish of the US to essentially double down on technology which relies on both an imperfect past without considering the future and nuances in its creation (let alone safety), and infringing on the copyrights of even larger companies and studios.
