Document: NSF_FRDOC_0001-DRAFT-2107
Comment on FR Doc # 2025-02305

Submitter Information

Name: Travis Kent

General Comment

If you want to cure or id cancers sure go for it; creating new chemicals that are safer for us, great. But if you are just going to void copyright laws and steal people's work for monetary gain; NO, just no it's a wast of money, time, resources. Please stop doing stupid s&^%, no one wants this.
