Document: NSF_FRDOC_0001-DRAFT-2121
Comment on FR Doc # 2025-02305

Submitter Information

Name: Claire Freeman

[REDACTED]

General Comment

Generative AI is an infinite theft machine. An affront to what it means to be human. AI that improves Healthcare diagnosis and actually helps humans live and thrive is good! AI that steals the hard work of living breathing creatives is an abomination and has no place in the world.
