Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2131

Comment on FR Doc # 2025-02305

Submitter Information

Name: Jackson Balling

General Comment

I do not believe that unregulated AI will do any good for the American people. My livelihood, as well as millions of others, has been under direct threat by LLMs and their ilk. I can vouch for the use of general AI in every day spaces, but the creative realm must not be made into data that feeds a giant copy machine. We must invest in innovative and original ideas, now more than ever.
