Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2186
Comment on FR Doc # 2025-02305

Submitter Information

Name: Ari Fletch
Address: United States,

General Comment

The people's voice must be heard. AI isn't just bad for artists, its use requires an impossible amount of energy to even produce results. The White House is better positioned to focus its efforts on other ventures. Let new companies come up with something bolder, something that keeps things sustainable and also ensures the country is on the pathway to success without making human life difficult for its citizens.
