Document: NSF_FRDOC_0001-DRAFT-2200
Comment on FR Doc # 2025-02305

Submitter Information

Name: Trace Mills

General Comment

I do not believe pursuing AI is the future we want. Not only will it put real people out of a job, it will lead to an immense waste of resources and lower the quality of everything across the board. The use of AI is only filled with negatives with no positives to counterbalance it.
