Document: NSF_FRDOC_0001-DRAFT-2224

Comment on FR Doc # 2025-02305

Submitter Information

Name: Nothing Doing

General Comment

Generative AI is a huge scam and steals the work of actual people so it can be remixed into a worse version that generates profits for people too lazy to actually make something. It's not going to help the country and it uses too much energy. You should probably &^% this whole idea.
