Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2233
Comment on FR Doc # 2025-02305

Submitter Information

Name: Travis Long

General Comment

AI models should not be allowed to train on copyrighted materials without prior permission granted by the copyright holder.

As well, firms that produce AI models should be required to keep records of what data was used to train them.

Materials produced by AI which trains on copyright-protected material should not be eligible for copyright protection without the express permission of the training materials' holders.
