Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2280
Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

AI companies should be held to the rules of the land and not get a special carve out for harming Americans and their works. AI should not allow companies to be able to bypass copyright restrictions by “studying” other people’s work/content. AI has no place in the future of the U.S. All it has brought us is pain, suffering, misinformation, and ignorance.
