Docket: NSF_FRDOC_0001

Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2317

Comment on FR Doc # 2025-02305

Submitter Information

Name: Michael Schneider

Email: [REDACTED]

General Comment

Modern AI (also known as LLM machine learning) should not be giving any exclusive concessions (including monetary and legal) in America. As the world has already proven, AI does not take a lot of money to develop. Nor do I think it should be allowed to bypass copyright law just because the product of modern AI is essentially a distillation of existing content. Stop giving these powerful tech companies unfair advantages and government handouts. Kill this bill.
