Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2336

Comment on FR Doc # 2025-02305

Submitter Information

Name: Paityn Brown

General Comment

I truly and wholly believe that AI does not add anything of substance to America or the American people. Let other countries burn money on this idiotic tech bubble and try to save some of the money that is cried constantly about. The AI bubble will pop very soon and leave America worse than better if it is allowed to pour money into the AI furnace, so stop and invest in other initiatives that are actually productive, like nationwide highspeed rail systems.
