Document: NSF_FRDOC_0001-DRAFT-2343
Comment on FR Doc # 2025-02305

Submitter Information

Name: Ben Scribner

[REDACTED]

General Comment

I am a creative person working in a creative field. Not only is AI grossly overused, but incredibly oversold in it's usefulness. Not only that, it is taking away jobs for our people now for work that is in less quality. Please do not let big tech companies take our ability to share our work online. Online is the best way small businesses can do anything these days. Protect our rights.
