Docket: NSF_FRDOC_0001

Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2382

Comment on FR Doc # 2025-02305

Submitter Information

Name: Malcom Smith

General Comment

In no way should "AI" be used to train on data that is not created internally within the company that is training it. In addition to training on any data not produced within the company that is training it, the compute power need is too high which results in massive water and power usage. This is not the future we want. This product does not deliver and is a lie.
