Document: NSF_FRDOC_0001-DRAFT-2412

Comment on FR Doc # 2025-02305

Submitter Information

Name: Athena Fetter

Email: [REDACTED]

General Comment

This is a HORRIBLE idea. This plan will destroy the livelihoods and creations of every creative person in the country. Big tech will take everything and we will end up in a society where corporations can ignore the CONSTITUTION to get their slimy hands on more money they certainly DO NOT need while simultaneously destroying the lives of countless Americans, and even others around the world. Creativity must be in the hands of humans, NOT soulless machines. This bill MUST NOT PASS.
