Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2455
Comment on FR Doc # 2025-02305

Submitter Information

Name: Samantha
Charles

General Comment

AI has no right to take from artist and honest hardworking individuals that create without the use of AI. This will only further diminish the values of "self-preservation" and creativity that bring life and emotion into the nation and world.

I vote against the ability for AI to take what doesn't belong to it. I'm completely against empowering the usage and advancements of AI.
