Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2476

Comment on FR Doc # 2025-02305

Submitter Information

Name: Leland Brown

General Comment

AI is attempting to replace artists, musicians, writers, etc. To make it cheaper for already rich companies to produce second rate products.

Your action plan should include provisions that prevent companies from sneaking in agreements to train AI on things the public posts, to prevent AI companies from training AI on publically posted but otherwise copyrighted material not belonging to them, and should include the ability to sue the companies should it be discovered they did in fact train their AI on copyrighted works.
