Document: NSF_FRDOC_0001-DRAFT-2477

Comment on FR Doc # 2025-02305

Submitter Information

Name: Stephen Smith

Address:

General Comment

I am concerned about the sources of information that AI have access to, and the lack of transparency with which they are used. The risk is too great that these could pull from sources that are anti-American and include subtle propaganda. We've already seen many instances in which children are using it and getting wrong facts, and I am deeply concerned that it could be turned to mislead them in far worse ways.
