Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2586

Comment on FR Doc # 2025-02305

Submitter Information

Name: Chris K.

General Comment

Giving AI based platforms the ability to steal from American citizens without their consent is against our rights, but initiatives like this also will effect relations regarding other countries as well. AI companies will not stop at stealing data from people outside the country and can cause huge disputes with foreign agencies. Do not allow for AI based companies to profit off of the work of the people.
