Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2589
Comment on FR Doc # 2025-02305

Submitter Information

Name: Michael Henning

General Comment

I am against the use of using technology to train generative AI or AI of any kinda on the copyrighted works of actual humans. The way I see it, that is the future we are currently headed for. A world where we exist on to work an make profits for others, instead of enriching our cultures and lives with artistic expression.
