Document: NSF_FRDOC_0001-DRAFT-2654

Comment on FR Doc # 2025-02305

Submitter Information

Name: Matthew
Williamson

General Comment

From my perspective, generative AI as it is progressing has no place in The United States. It is a violation to American rights to their own intellectual property, and allows foreign actors to spread misinformation much more easily. I believe generative AI WILL harm American people if it is allowed to profess without limitations.
