Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2702
Comment on FR Doc # 2025-02305

Submitter Information

Name: Andrew French

General Comment

AI is not art. It does not generate content out of nothing. It is trained to copy the style of a writer, artist, or other entity to provide what it "creates". This is tantamount to making it legal for AI to commit plagiarism. I would urge the government to reject that possibility and err on the side of protecting creators' rights and copyrights.
