Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2760
Comment on FR Doc # 2025-02305

Submitter Information

Name: Jelani Nelson

General Comment

AI does not have any value for the future of America and I am firmly opposed to empowering those who would use it at the expense of their fellow citizen's jobs, opportunities, and with no regard for its ethical development. AI built off of stolen works, a lack of consent, or opt-out based systems must be rooted out and stopped.
