Docket: NSF_FRDOC_0001
Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2798
Comment on FR Doc # 2025-02305

Submitter Information

Name: Shelby Davitt

General Comment

AI has evolved faster than ethics has kept up. Until we can protect writers and artists from blatant AI plagiarism, we need to regulate and reduce our use and reliance on AI.

In addition, I have a lot of concerns about the environmental impact of using these massive servers. We already have a climate change problem, why accelerate it with AI?
