Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2807

Comment on FR Doc # 2025-02305

Submitter Information

Name: Juan
Morales

General Comment

I do not believe AI holds a place in the future of the US. AI steals from my livelihood as an American and profits off of theft. AI is overhyped and is fleecing the eyes of the American public.

Nothing that AI brings to the american public is beneficial nor useful to the extent the creators of the so called ai tools lead the public to believe. As stated aboved, it is built off theft.
