Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2827
Comment on FR Doc # 2025-02305

Submitter Information

Name: Brent Head

General Comment

Generative Artificial Intelligence has no right to train on data, and thereby profiting off of, things they do not own. It is theft. Doing this is destructive to artists, who overwhelmingly do not want this AI technology, as it is destroying their livelihood. AI is harmful to the general public and selling them out for profit is not ethical.
