General Comment

I am writing today to state my stance AGAINST development of AI.

- * I do not believe AI holds a place in the future of the US
- * AI steals from my livelihood as an American and profits off of theft
- * AI is overhyped and is fleecing the eyes of the American public.

If AI is given blanket immunity to create content by STEALING from the AMERICAN PUBLIC, the American economy will suffer greatly, to say nothing of the myriad of other dangerous scenarios that will arise as a result.
