Document: NSF_FRDOC_0001-DRAFT-2850
Comment on FR Doc # 2025-02305

Submitter Information

Name: Mysty Mable

General Comment

Please work harder and invest more into ai safety. I'd really like to not have my whole family and species die because our government thought it better to be "ahead of China" than avoid extinction. Please for the love of God stop letting larger models get trained. We need a global pause and if we don't stop now, we ALL die.
