Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2879
Comment on FR Doc # 2025-02305

Submitter Information

Name: Weston Scott

General Comment

AI use by grossly incompetent figures such as those, both elected and unelected, in the Trump administration would be disastrous for everyone involved. No good will come of this, especially with how flawed AI still is. The vocal goals the current administration has will, if uninterrupted, have this used for malicious purposes, do not give them the green light.
