Document: NSF_FRDOC_0001-DRAFT-2881

Comment on FR Doc # 2025-02305

Submitter Information

Name: B Welch

General Comment

Open AI should not have this kind of access proposed in the executive order. This leads to a dangerous invasion of public privacy, but it also will lead to incredible amounts of copy right infringement. This order would help OpenAI at the expense of American citizens, it should not be allowed.
