Document: NSF_FRDOC_0001-DRAFT-2885
Comment on FR Doc # 2025-02305

Submitter Information

Name: Connor Munn
Address:

General Comment

I am fully opposed to allowing the unmitigated collection of data from private content creators to be used profit without appropriate compensation for those creators. AI poses a financial threat to millions of private individuals by stealing their intellectual property for the benefit of a select few and as such is a net negative for American citizens.
