Document: NSF_FRDOC_0001-DRAFT-2900
Comment on FR Doc # 2025-02305

Submitter Information

Name: Parker Hynson

General Comment

While I don't fervently hate or AI, I believe that those deeply affected by this should have the right to protest and oppose the usage of AI taking advantage of their art without permission. I also believe Trump's appeals to "The Good of this Nation" are blatant attempts to enforce nationalist mindsets that allow him to get away with ever increasing bigotry.
