Docket: NSF_FRDOC_0001

Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2912

Comment on FR Doc # 2025-02305

Submitter Information

Name: Lauren Russo

General Comment

I do not believe AI holds a place in the future of the US. AI steals from my livelihood as an American and profits off of theft. AI is overhyped and is fleecing the eyes of the American public. Anything that requires flagrant theft to succeed doesn't deserve to exist. I don't believe that companies should get to profit off the hard work of everyday people just to make something that will result in mass loses in human jobs.
