Document: NSF_FRDOC_0001-DRAFT-2937

Comment on FR Doc # 2025-02305

Submitter Information

Name: Adapter Pack

General Comment

I don't believe that this should pass. What is truly free if these AI companies have free reign on *ANYTHING* we produce? So many of my friends have been shaken to their cores by the innumerable atrocities this administration has already committed; I couldn't live with myself if this came to pass. Please.
