Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2949
Comment on FR Doc # 2025-02305

Submitter Information

Name: Emily Jiang

General Comment

I fail to see how this will improve the development of GenAI. I only see an excuse to infringe on copyright and national security. These companies are playing with fire here, and it will be mostly the American people who will suffer the consequences, not the foreign agencies competing with us. Everyone but the GenAI developers will be the losers here.
