Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2971
Comment on FR Doc # 2025-02305

Submitter Information

Name: Austin Watson

General Comment

I do not believe AI has any benefit for the future of America and will instead harm the economy and decrease the amount of jobs available for the public. AI cannot currently replace the efforts of hard working people and attempting to have it do so will only remove jobs from people who could use them and decrease the quality of work done.
