Document: NSF_FRDOC_0001-DRAFT-2989
Comment on FR Doc # 2025-02305

Submitter Information

Name: Brad Fowler

General Comment

I don't believe AI has any benefit to the future of America as this will put many artists and writers out of jobs and they won't have any place to work. OpenAI and every other AI company will have immunity and take every single job that's important to humans and billionaires and CEOs will keep getting richer.
