Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-2994
Comment on FR Doc # 2025-02305

Submitter Information

Name: Austin Lang

General Comment

I am a writer, and AI represents an existential threat to my livelihood. I've already been dismissed from one job, not because of a lack of performance, but because my employer decided using ChatGPT was cheaper than paying a human being.

AI will destroy the workforce and put millions out of work, while simultaneously leading to a glut of inaccurate, low-quality content and information.
