General Comment

What the ever loving f&^% do you thieves think you're God damn doing? Eat your reprocessed s&^% pellets from your AI b&^% box and perish like the scum buckets you are. You think you're safe but your own AI junk is going to steal your identity and fraud YOU. Your not just thieves and killing the planet you are massively hated. Lock you out of all the medical care YOU need one day and you'll be choking on your feeding tubes trying to be your AI to let you breath again.
