Document: NSF_FRDOC_0001-DRAFT-3017
Comment on FR Doc # 2025-02305

Submitter Information

Name: Juan Alvarez

General Comment

I express my disagreement and disgust as a proud free human being. I am not willing to give in my lifestyle and creations to a machine. If you, the people behind this action plan, have common sense, you could reject and dispose this proposal so the people of your country, from this planet, from this existence.

I firmly ask for the step back from this. Or else, the people will come for you once they see their freedom is lost
