Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3049
Comment on FR Doc # 2025-02305

Submitter Information

Name: Mark Elling

General Comment

As someone in a creative industry, advancing AI by feeding it copyrighted works freely is a despicable act that would only harm my line of work and livelihood. I'm firmly against allowing anyone or any company free rights to take everything I've made without my consent under the guise of 'advancing AI'.
