Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3063
Comment on FR Doc # 2025-02305

Submitter Information

Name: Derek Christmann

General Comment

Embracing AI means a loss of jobs for everyday Americans. Executives will look to cut costs, firing employees and replacing them with a non reliable AI.

AI should be utilized to make everyday Americans lives easier, not take their jobs.

DO NOT let silicon valley destroy the working class. Reject any plans to use AI.
