Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3085
Comment on FR Doc # 2025-02305

Submitter Information

Name: Matthew Neely

General Comment

Generative AI has zero benefit to the future of America. It only does damage. It needs MORE regulation, MORE limits, not less. Giving AI companies the freedom to train their generative AI systems on anything they want would be catastrophic.
