Docket: NSF_FRDOC_0001

Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3124

Comment on FR Doc # 2025-02305

Submitter Information

Name: Jason Clark

General Comment

Please do not allow AI to copy or infringe on copyright works. This will drive business away from the US, including major corporations who have stake in protecting their copyright content and particularly their written and visual content. As a educator and teacher, the thought of AI having unfettered access to use any data its owners desire to train it on horrifies me and makes me worry for the privacy of my students.
