Document: NSF_FRDOC_0001-DRAFT-3128
Comment on FR Doc # 2025-02305

Submitter Information

Name: Zuri Lee
Address:

General Comment

We need tougher regulations on AI not looser regulations. We don't need to be dominant in everything especially AI. We're not even the leader of on public transit, health and safety, and quality of life. We don't need AI when we can't take care of our people.
